Nominating Committee:

Miriam Benitez-Nixon
Barb Epstein

Appointments & Vacancies (one appointment and one vacancy)

As was reported at the November 2016 Advisory Council Meeting, Betty Hayward, following 36 years as a Member, concluded her final term on 12/31/16. In consideration of the demographics of the Planning and Service Area and the composition of the Advisory Council, the Nominating Committee is seeking an African American candidate from Pinellas County who has an interest in aging and/or disabilities.

Also reported at the last meeting was Linda Patterson resigning effective 12/31/16. She had "tapped" a fellow associate from Bay Pines VA as her replacement. The Nominating Committee reviewed Jodi Vosburgh's application and resume and agreed that she would be a good fit. Jodi's term is effective 1/1/2017.
