Great news! Department of Economic Opportunity has approved our request for an extension of the 2016-2017 EHEAP Contract. The above referenced amendment will extend your contract until June 30, 2017. This extension will allow a complete spend out of EHEAP funds in all categories. The Attestation Statement is also attached.

This EHEAP Amendment will be processed using an electronic copy, signed with blue ink; therefore, mailing the original is not necessary.

URGENT: This amendment is time sensitive and must be executed before March 31, 2017. Please return these documents as quickly as possible and no later than noon on Wednesday, March 29, 2017.

Please email the following to me:

- One (1) signed copy of the contract amendment with original signatures in blue ink, and
- One (1) signed copy of the Attestation form.

A fully executed copy of the contract amendment will be sent to you electronically for your records, and the original will be mailed within thirty days. Please let me know if you have any questions.

Thank you...Judy
