Please explain experience and/or interest in aging

21 years ago my mother got sick. She passed 6 yrs ago, but during her illness, I recognized what it meant to be a caregiver and what it looked like to watch someone age quickly due to illness. I decided then that everyone deserves to age with dignity and respect. If I can make a difference in that process, I will have been successful!

Are you a participant or a caregiver of a participant of any social services, nutrition service or senior center?

Yes No

If yes, please specify I am the Director of East Pasco Meals on Wheels.
