## The Alzheimer's Association Virtual Brain Bus is here to help.

This statewide outreach initiative raises awareness about Alzheimer's and related dementias from any computer, tablet or smartphone connected to the internet. Programs are led by trained dementia experts and will address the benefits of early detection, early diagnosis, brain health, risk reduction, how to receive an accurate diagnosis and the latest advancements in Alzheimer's research. Each session will conclude with a question and answer period.

Topics include:

- 10 Warning Signs of Alzheimer's
- Understanding Alzheimer's and Dementia
- Healthy Living for the Brain and Body: Tips from the Latest Research
- Advancing the Science: Alzheimer's and Dementia Research
