

Living Well with **CHRONIC CONDITIONS**

Learn what YOU can DO to MANAGE your health

Chronic Disease Self-Management Program

a Self-Management Resource Program

This 6-week class series is designed to help you live better with ongoing health conditions. Learn practical skills to manage symptoms, boost energy, and stay active and independent. Our trained facilitators help empower you to set goals, solve problems, and take control of your well-being.

Topics Covered Include:

- Techniques to manage pain, fatigue, and stress
- Healthy eating and physical activity
- medication use and treatment decisions
- effective communication with friends, family, and healthcare providers
- Goal setting and action planning
- Decision-making and problem solving skills

For people aged 60 & up
